Shad and Herring From River and Bay More Plentiful.

falling off in the demand for other varieties of fish at the wholesale market at the wharf, and prices in consequence are lower than a week ago. One vessel arrived from the lower river yesterday with about 4,000 shad and 50,000 herring, and in addition to this large number many were received here by rail and

a few gray trout being on sale this morning.

The market today was well attended by buyers, and prices ranged about as follows: Roe shad, 50 to 60 cents each; buck shad, 25 to 30 cents each; herring, \$1.50 a hunderd; Spanish mackerel, 12½ cents a pound; bluefish, 12½ to 14 cents a pound; rock, 12½ cents a pound; tile, 6 to 10 cents a pound; arp, 3 cents a pound; pike, 10 cents a pound; white perch, 4 to 10 cents a pound; yellow perch, 25 to 50 cents a bunch; flounders, 4 cents a pound; mud shad, 2 cents a pound; cafish, 25 to 50 cents a bunch; and frozen trout, 10 cents a pound.

Oysters are plentiful, and are dropping in price.

Maude Fay, a soprano, whose career den, London, and the Metropolitan Opera Company of New York, gave a recital yesterday afternoon at the National Theater before an audience composed largely of music lovers and students from various conservatories and schools. A program of fourteen numbers was opened with an aria from "Don Juan," a selection which testified alike to the singer's appreciation of Mozart and to the capability of her accompanist, Mrs. George P. Eustis, The musical archives of the seventeenth century contributed Marcello" "Quella Fiamma" and "Sleep, Oh, Sleep," from Haendel's "Semlee." To these were added "O Bocco Doloroso" (Sibella), "L'Absence" (Berlioz), "Crenuscule" (Massenet) and a group of English songs, "Long, Long Ago," Foot's "Land o' the Leal," and Carey's "Pastoral."

The closing numbers from Cornelius, Brahms and Richard Strauss were the most popular of the entire program, measured by applause. In recognition of her appreciation Miss Fay graciously gave for a final encore Puccini's "Vissi d'Arte." from "La Tosca."

convention were indorsed at a rally of the Miller-Chase Republican Club of the fifth, sixth and seventh districts, held last evening in Masonic Hail, on 19th street northwest.

Campaign Begun for Prevention of Drownings During the Summer Period.

He told of the benefits to be derived by the passage of the bill—namely, that instead of bringing a child before the court as a criminal under arrest, as at present, under the proposed law the child would be petitioned to court by some one interested in its welfare, and that the delinquent, if incorrigible, would be committed to a reform school. The speaker said that no provision. Police and school officials entered ac ively today upon a campaign for rethe District, which have been averaging about thirty-five a year.

would be committed to a reform school. The speaker said that no provision was made in the Willis-Johnson bill for the care of mental delinquents, but expressed the hope that a remedy for the evil would be found.

Mrs. William Miller delivered an address on the community center proposition, and told of the wonderful good accomplished by such organizations in South Bend. Ind., where she had studied conditions before and after the centers became organized.

"Being of moderate means," he said "I am not fortunate enough to possess Western High and J. O. Wilson Normal an automobile, hence the price of gasoline does not, at least directly, affect me, but I and my family all eat, wear shoes and burn coal.

Makes Plea for Poor Man.

"Why not interest yourself in the in your resolution an investigation of the meat trust, leather trust, sugar trust, coal trust and other commodities that have increased in price 'on ac count of the war.'

"Let the poor people know why the democratic party has failed to make democratic party has failed to make good its promises to reduce the cost of living, results of which were not even in sight before the 'on-account-of-the-war' stall was thought of."

This letter was sent to Senator Martine of New Jersey, author of the gasoline investigation resolution, which is still pending before the Senate, and to Senators Stone, Pomerene, Hitchcock, Cummins, Lodge, Gallinger, Smoot and others.

A Dollar-Meal For Five Cents. The most expensive foods are quite often entirely lacking in food value. They do not build muscle or supply energy. Measured by the cost of most foods, a breakfast or luncheon of Shredded Wheat with milk and cream is worth a dollar-and the cost is not over five cents. Two Biscuits will supply all the strength needed for a half day's work or play.
